# ALLERGEN INFORMATION

Mercure Norton Grange Hotel & Spa has a commitment to ensuring that all food served to the final consumer is safe. The hotels prime concern is that the food that is served, is prepared to high standard using quality products from reputable suppliers and that it is free from contaminants that includes known 'Allergens', to those persons who may have a response too. The allergy data detailed in the table shows ingredients containing each allergen and has been derived from the suppliers of our products. We have taken all reasonable steps to ensure this information is accurate.

Dear guest please note, whilst our well-trained kitchen team handling your food with utmost care & no cross-contamination, please be advised the foods described in the menu are prepared in a kitchen that handles gluten, nuts and other allergens that are prepared. Please accept our sincere apologies, if we couldn't prepare your request & if we have to ask you to eat-out and make alternative arrangements. If you have any specific concerns, please let us know and we will do our best to help.
